## Directors' report for the year ended 31st December 2015

The directors present their annual report and the audited financial statements for the year ended 31st December 2015.

## Principal activities and review of the business

Carriglea Cairde Services provides residential, day and respite services to adults with an intellectual disability in West Waterford. Services are provided primarily in the Dungarvan area. A Service Level Arrangement is in place with the HSE for the provision of agreed services. The Service has a strategic action plan to guide it in meeting the needs of service users and a copy of the plan is given to the HSE. Approximately 175 people avail of services. The level of supports varies among service users and is determined by each individuals person centred plan. Residential services are provided to almost 100 adults with 45% in a campus based setting and 55% in various houses throughout the community. Day services are provided to approx. 175 adults from 9 different day service settings. In these settings a comprehensive programme of day activities and supports are provided which are in line with the needs and wishes identified through individual person centred plans.

The (deficit)/surplus for the year, after taxation, amounted to  $\epsilon(25,822)$  (2014 -  $\epsilon(25,822)$ ).

#### **Chatity Status**

The company has been granted charitable tax status under Section 207 of the Taxes Consolidated Act 1997, Charity No: CHY 16004.

#### **Future developments**

The directors have no plans to change significantly the activities and operations of the company in the foreseeable future.

#### Directors of the Company

The present membership of the board is listed on the 'Directors and other information' page, page 1.

In accordance with the Articles of Association, Eamonn Moore, Dr Nan Ferrari and Marie Dennehy retire by rotation and, being eligible, offer themselves for re-election.

#### Principal risks and uncertainties

The company operates solely in the Republic of Ireland, and therefore is not subject to currency risks. Carrigle Cáirde Services is economically dependent on the Health Service Executive for funding. This economic dependency is underpinned through a Service Level Arrangement between the Health Service Executive South and Carriglea Cáirde Services. Were this funding to be withdrawn or significantly reduced, the directors would have to review the level of services provided by the company.

#### Statement of directors' responsibilities

The directors are responsible for preparing the Directors Report and the financial statements in accordance with Irish law and regulations.

Irish Company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and accounting standards issued by the Financial Reporting Council as modified by the specific accounting requirements of the Minister of Health and published by Chartered Accountants Ireland including FRS 102 The Financial Reporting Standards applicable in the UK and Ireland (Generally Accepted Accounting Practice in Ireland). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently
- make judgements and estimates that are reasonable and prudent
- state whether the financial statements have been prepared in accordance with applicable ccounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the group and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Independent Auditors' Report To The Members Of Carriglea Cáirde Services

We have audited the financial statements of Carriglea Cáirde Services for the year ended 31st December 2015 which comprise the Revenue Income & Expenditure Account, Capital Income & Expenditure Account, Balance Sheet, The Statement of Changes in Equity, Cashflow Statement and the related notes. The financial reporting framework that has been applied in their preparation is Irish law and generally accepted accounting practice in Ireland including the accounting standards issued by the Financial Reporting Council and promulgated by Chartered Accountants Ireland (Generally Accepted Accounting Practice in Ireland) as modified by the specific accounting requirements of the Minister of Health including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland."

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act, 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014.

Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements.

In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

## Independent Auditors' Report To The Members Of Carriglea Cáirde Services

#### Opinion on financial statements

In our opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31st December 2015 and its deficit for the year then ended; and
- have been properly prepared in accordance with the requirements of the Companies Act, 2014.

## Matters on which we are required to report by the Companies Act 2014

- We have obtained all the information and explanations, which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors'/trustees report is consistent with the financial statements.

## Matters on which we are required to report by exception

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion the disclosures of directors' remuneration and transactions specified by law are not made.

## Notes to the financial statements for the year ended 31st December 2015

## 1. Statement of accounting policies

This is the first set of financial statements prepared by Carriglea Cáirde Services Limited by Guarantee in accordance with accounting standards issued by the Financial Reporting Council, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"). The company transitioned from previously extant Irish and UK GAAP to FRS 102 as at 1 January 2014. An explanation of how transition to FRS 102 has affected the reported financial position and financial performance is given in Note 3.

The significant accounting policies adopted by the Company and applied consistently are as follows:

#### 1.1. Basis of preparation

The Financial Statements are prepared on the going concern basis, under the historical cost convention and comply with the financial reporting standards of the Financial Reporting Council and promulgated by Chartered Accountants Ireland as modified by the specific acounting requirements of the Minister for Health, and Irish statute comprising the Companies Act 2014 except for the entity invoking the true and fair view override with regard to the profit and loss and balance sheet formats in Schedule 3 of the Companies Act 2014 as permitted in Section 3.4 of FRS 102 and Section 291 (5) of the Companies Act 2014.

In order for the financial statements to show a true and fair view the directors have determined the profit and loss format be re-named to an income and expenditure account detailing the income and expenditure by nature. Given that the company is a company limited by guarantee the capital and reserves section of the balance sheet has been adapted accordingly to reflect this fact. The directors consider that the layout adapted more correctly reflects the nature of the entity given that the entity is a not-for-profit organisation which is limited by guarantee. To use the formats set out in Schedule 3 of Companies Act 2014 and Section 4 and 5 of FRS 102 would not result in the financial statements showing information that would allow the entity to show a true and fair view.

#### 1.2. Income Policy

State funding and funding from Public Bodies that is predetermined and agreed with the relevant authorities is recognised on an accruals basis. Grants, subsidies, or rebates that are dependant on approval by a grantor on the foot of an application made, are recognised on a cash basis. Funds received for specific projects and not spent at year end are deferred to match the costs that they are intended to compensate.

Fundraising and donations are accounted for on a cash receipt basis and credited to the beneficiary, usually the Service Provider who raised the funds. Accordingly, fundraising and donations are taken to Revenue as and when it is spent in line with the intentions of the donor or the general purpose of the fund.

Sales are accounted for using the accruals basis of accounting.

Interest and other investment income are accounted for on a cash receipts basis.

## 1.3. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment loss. Cost includes all costs that are directly attributable to bringing the asset into working condition for its intended use.

#### Depreciation

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost less estimated residual value, of each asset systematically over its expected useful life, as follows:

Land and buildings - 50 years
Fixtures & Fittings - 3 years
Motor vehicles - 5 years

It is a requirement under FRS 102, that the carrying value of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable. As our fixed assets are not held for the purpose of generating cashflows, but were acquired for the purpose of carrying out charitable activities, the value cannot be meaningfully measured in terms of cashflow as the benefits that derive from their use are not financial. Accordingly, an impairment of fixed assets will only arise where the asset suffers impairment in a physical sense resulting in physical damage and the use of the asset has reduced significantly or is no longer in use or where the quality of service it provides has deteriorated. As long as such assets continue to provide the anticipated benefits to the company, the consumption of such benefits will be reflected in regular depreciation charges.

## 1.4. Land & Buildings

The total value of land & buildings transferred from the Sisters of the Bon Sauveur on the 1st January 2006 was €8,150,000. Included in this valuation is an amount of €1,904,996 which relates to the cost of buildings financed by way of Capital Grant by the Health Service Executive to the Sisters of the Bon Sauveur, Carriglea.

#### 1.5. Capital Expenditure

The board have adopted the policy that all minor plant, fixtures & fittings with a value of less than €5,000 should be taken directly to the Income & Expenditure Account. Items in excess of €5,000 are treated as Capital Expenditure, with a corresponding amount credited to Deferred Income Revenue Grants re Capital Items.

In relation to land and buildings, items which are seen to add value to the property are capitalised whilst those with no added value are taken directly to the Income & Expenditure Account as repairs.

#### 1.6. Going concern

Carriglea Cáirde Services is economically dependant on the Health Service Executive for funding. This economic dependancy is underpinned through a Service Level Arrangement between the Health Service Executive and Carrigle Cáirde Services. Accordingly, the financial statement have been prepared on a going concern basis.

#### 1.7. Employee Benefits - Superannuation

Carriglea Cáirde Services operate three distinct occupational pension schemes, namely an 'Exchequer Funded' defined benefit scheme known as the Nominated Health Agencies Superannuation Scheme (NHASS), an 'Exchequer Funded' Single Public Service Pension Scheme (SPSPS) and an Irish Life Pension scheme.

No provision has been made in respect of benefits payable under the NHASS Scheme and the SPSPS Scheme as both schemes are public servants "Pay as you Go" Pension Schemes underwritten by the Minister for Health.

Contributions from employees who are members of the NHASS are credited to the Income and Expenditure Account when received. Pension payments under the NHASS are charged to the Income and Expenditure Account when paid.

Contributions from employees who are members of the SPSPS are remitted monthly directly to the Exchequer. Pension payments under the SPSPS, when they occur will be paid by the appropriate relevant authority.

Carriglea Cáirde Services is prescribed as a relevant authority in the Statutory Instruments effective from the 1st January 2014 that established the SPSPS.

#### 'Investment based' Defined benefit Schemes

The Provisions of Financial Reporting Standard No. 102 Retirement Benefits apply to the (1974) defined benefit schemes and the compliant information is set out in Note 14.

#### 1.8. Fund Accounting

The following funds are operated by the Charity

#### Restricted Funds

Restricted Funds represent grants, donations and sponsorships received which can only be used for particular purposes specified by the donors or sponsorship programmes binding on the directors. Such purposes are within the overall aims of the charity.

#### **Unrestricted Funds**

Unrestricted Funds represent amounts which are expendable at the discretion of the Directors in furtherance of the objectives of the charity and which have not been designated for other purposes. Such funds may be held in order to finance working capital or capital expenditure.

#### Designated Funds

Designated funds are unrestricted funds earmarked by the Directors for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements. The designations have an administrative purpose only and do not legally restrict the Board's discretion in applying the funds.

#### 2. Transition to FRS 102

Prior to 1 January 2014 the company prepared its financial statements under previously existing Irish GAAP. From 1 January 2014, the company has elected to present its annual financial statements in accordance with FRS 102 and the Companies Act 2014.

The comparative figures in respect of the 2014 financial statements have been restated to reflect the company's adoption of FRS 102 from the date of transition at 1 January 2014.

Set out below in Note 3 are the changes in accounting policies which reconcile surplus for the financial year ended 31 December 2014 and the total equity as at 1 January 2014 and 31 December 2014 between Irish GAAP as previously reported and FRS 102.

In preparing this financial information, the company has applied certain exceptions and exemptions from full retrospective application of FRS 102 as noted below.

#### Statement of cash flows

#### Irish GAAP

Under Irish GAAP, cash flows were presented separately for operating activities, returns on investment and servicing of finance, taxation, capital expenditure and financial investment, acquisitions and disposals, equity dividends paid and financing.

#### FRS 102

Under FRS 102, cash flows are required to be shown separately for three categories only, namely, operating, investing and financing. Additionally the cash flow statement reconciles to cash and cash equivalents whereas under previous Irish GAAP the cash flow statement reconciled to cash. Cash and cash equivalents are defined in FRS 102 as "cash on hand and demand deposits and short term highly liquid investments that are readily convertible to known amounts of cash and that are subject to an insignificant risk of changes in value" whereas cash is defined in FRS 1 as "cash in hand and deposits repayable on demand with any qualifying institution, less overdrafts from any qualifying institution repayable on demand".

#### Impact

Cash flows from taxation and returns on investments and servicing of finance shown under Irish GAAP are included as operating activities under FRS 102

#### 4. Critical Accounting Judgements and Estimates

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. These estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

## a) Establishing useful economic lives for depreciation purposes of property, plant and equipment

Long-lived assets, consisting primarily of property, plant and equipment, comprise a significant portion of the total assets. The annual depreciation charge depends primarily on the estimated useful economic lives and estimates of residual values. The directors regularly review these asset useful economic lives and change them as necessary to reflect current thinking on remaining lives in light of prospective economic utilisation and physical condition of the assets concerned. Changes in asset useful lives can have significant impact on depreciation and amortisation charges for the period. Detail of the useful economic lives is included in the accounting policies.

#### 5. Taxation

There is no charge to taxation as the company has Charitable Status CHY 16004.

#### 6. Deficit for the year

In order to reconcile the deficit as per the audited accounts to the deficit as per the Health Service Executive Returns, the following adjustments in relation to FRS 102 (pension scheme transactions) have to be made.
