Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Directors' report
for the year ended 31st December 2025

The directors present their annual report and the audited financial statements for the year ended 31st December 2025.

Structure, Governance and Management

Carriglea Cáirde Services CLG is a registered charity and a company limited by guarantee with no share capital. The charity is governed by its Constitution and overseen by a voluntary, non-executive Board of Directors who act in an unpaid capacity. Directors are recruited based on a competency framework and sectoral experience.

The charity complies with the Charities Governance Code, and submissions were made in line with obligations to the Charities Regulator, the HSE, and the Housing Agency. In 2025, Directors continued Governance and Risk Management and undertook an annual Board performance review.

Internal audit services were provided by Crowleys DFK. An internal audit Service Users' Finances and the Soldo Debit Card system was completed. A full internal audit schedule is planned for 2026.

In June 2025 the Services held the annual planning day and agreed the management structures, provision of incremental respite provision, systems development, individualised high support services on campus and commitment to supporting and recognising the input of members of staff across the Services.

Objectives and Activities

Carriglea Cáirde Services provides person-centred residential, day, and respite services for adults with intellectual disabilities in West Waterford, primarily in Dungarvan and surrounding communities.

The five-year Strategic and Operational Plan (2023-2027) focuses on:

- Reconfiguring day and residential services
- Provision of increased levels of respite
- Implementing and extending community-based retirement models
- Progressing of de-congregation
- Meeting the challenges of the difficult labour market
- Enhancing ICT systems and accessibility
- Embedding rights-based and person-centred planning

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Directors' report
for the year ended 31st December 2025

..... continued

Principal activities and review of the business

The Directors wish to acknowledge the support of Service Users, families and friends and members of staff for support throughout a challenging 2025.

A Service Level Arrangement is in place with the HSE for the provision of agreed services. In 2025 the Service continued to review and implement key objectives from the 5-year strategic and operational plans 2023 - 2027. These plans will guide the Services in meeting the needs of service users. An information evening was held with family and friends of the people who use services in November 2025 and an update on the strategic plan was presented along with a presentation on the provisions and workings of the Assisted Decision Making Act.

Detailed information is available on the Services' website www.carrigleaservices.com on the principal activities of the Services including the annual financial statements, strategic plan, board membership and committees

For 2025 supporting residents and day attendees to participate and engage with community activities, development of retirement homes in the community, re-configuring residential and day services, upgrading technology, meeting increased cost associated with non-pay inflation, difficult supply chains and the challenges posed by recruitment constraints, development of de-congregation plans and interpreting and implementing best Public Health Guidance have been key priorities.

With regard to non-pay inflation the HSE provided funding in 2025 in the amount of €775k to meet the increased cost pressures and deficits for 2025 owing to increased support requirements associated with changing needs, resident retirements, safeguarding plans and non-pay inflation. This funding was a welcome initiative and a significant support to the Services in offsetting much of the earlier projected deficit for 2025.

At the end of 2025, 201 people availed of services. The level of support provided varies among service users and is determined by each individual's person centred plan.

In 2025 residential services were provided to 80 adults with 30% of people residing in campus based settings and 70% of people residing in houses in and around Dungarvan Town. Two people from the waiting list for services were offered residential places in 2025.

More than 40 residential service users are now supported in retirement and semi-retirement. Retirement options for people is in line with choice and a consequence of peoples changing needs as people age. Plans for such retirements have been developed and incorporated in the Service Level Arrangement 2025 and will carry into future years.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Directors' report
for the year ended 31st December 2025

..... continued

Throughout 2025 day Services were provided to those who have retired primarily through non-centre based activities and across 6 residents' homes. Centre based day services were provided for 151 people from 12 different day service settings. In these settings a comprehensive programme of day activities and supports are provided based on community integration in line with the needs and wishes identified through each individual's person centred plans. The day service standards in place by location continue to be benchmarked under the EASI Tool submission in December 2025.

In 2025, 8 new applicants for services were provided with day services. A further 4 people graduated from Rehabilitative Training to day services in Marquis Drive, Anne Le Roy and 1 person exited the services and sadly 2 Service User passed away in 2025.

In 2025 St. Bridget's residential setting, which has closed in 2024 and been used as a temporary respite location until June 2025. The setting has now been repurposed for day services and has reopened as Sunflower Day Service and now provides day services for 2 Day Attendees.

Overnight Respite was provided to 50 people (Day Attendees). There is a waiting list for service and this is evidenced from 50 people offered respite throughout 2025 the majority of people would have accepted more respite if it were offered and this evidenced from service user surveys, PCP meetings and feedback comments received as part of the information gathering process. The Service purchased Normandy House on the grounds in Carriglea (the former residence of the Missionary Sisters of the Gospel) in 2025 and is currently progressing securing HSE funding to operate it as an additional respite house, along with some minor works to meet HIQA standards and complete HIQA registration.

The Service promotes an environment where the collective focus of stakeholders is organised towards the development of appropriate person-centred services in line with the needs of people with disabilities in an environment that upholds the fundamental principle of 'zero tolerance to all forms of abuse'. The Services continue to work with the people who use services and their families in order to provide and facilitate day, respite and residential services.

In regard to Capital Project progress was made on a number of key development

1. Villierstown Residential opened in 2025
2. Seabreeze Residential (2027 delivery)
3. Normandy House, Carriglea Cairde Services to develop a new respite location with capacity of up to 900 nights respite per annum - Project Delivery Set for November 2026.
4. New leased premises secured at Dungarvan Shopping Centre and Strand Street for a day service to open in 2026
5. Replacement of 5 service vehicles

Carriglea Cáirde Services is committed to services based on the ethos of our founders, the Missionary Sisters of the Gospel (formerly the Sisters of the Bon Sauveur), and Pastoral Care Supports for people remain an on-going priority.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Directors' report
for the year ended 31st December 2025

..... continued

In the context of Governance and Compliance, Carriglea Cáirde Services submitted the Service Level Arrangement, HSE Annual Compliance Statement, HSE Annual Financial Monitoring Return, the Charities Regulator Return and Housing Agency Return. In line with the provision of the HSE Service Level Arrangement the Services migrated onto the HSE Integrated Management Reporting (IMR) and now report monthly financial returns on a 9 day close off and while the benefit of financial information within 9 days supports decision making it has placed increased pressure in order to meet timelines.

There are many challenges ahead and particularly to fund and develop new services for the people on the waiting list for residential or additional respite services. The key focus and objective for the Service now and into the future remains the provision of quality and safe services for people in receipt of services and planning for people who are on the waiting list for services.

The surplus for the year in the amount of €13,041 relates in part to timing differences on receipt of NHASS pensions income,

Compliance with Public Sector Pay Policy

Carriglea Cáirde Services confirms that it is compliant with Public Sector Pay Policy as directed by the Department of Health and the HSE. Salaries are aligned with HSE consolidated pay scales. No remuneration was paid to Board members.

Charity Status

The company has been granted charitable tax status under Section 207 of the Taxes Consolidated Act 1997, Charity No: CHY 16004.

The company is registered as a charity with the Charities Regulator. Registered Charity Number 20056650.

Future developments

The directors have no plans to change significantly the activities and operations of the company in the foreseeable future.

Statement on Relevant Audit Information

In accordance with Section 330 of the Companies Act 2014:

- so far as each person who was a director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing this report, of which the auditor is unaware and,
- each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the auditor is aware of that information.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Directors' report
for the year ended 31st December 2025

..... continued

Directors of the Company

The present membership of the board is listed on the 'Directors and other information' page (page 1).

The directors are non-executive and act in a voluntary unpaid capacity.

In accordance with the Constitution, Barry O'Brien and Tomas Horgan are due for retirement and are going forward for re-election.

Principal risks and uncertainties

The company operates solely in the Republic of Ireland, and therefore is not subject to currency risks. Carriglea Cáirde Services is economically dependent on the Health Service Executive for funding. This economic dependency is underpinned through an annual Service Level Arrangement between the Health Service Executive and Carriglea Cáirde Services. If this funding was withdrawn or significantly reduced, the directors would have to review the level of services provided by the company.

Post balance sheet events.

Other than as described in the Principal Risks and Uncertainties section, there were no significant events between the Balance Sheet date and the date of signing of the financial statements, affecting the company, which require adjustment to or disclosure in the financial statements.

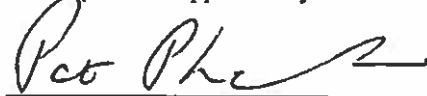

Accounting records

The measures taken by the directors to ensure compliance with the requirements of Section 281 to 285 of the Companies Act 2014 regarding proper accounting records are the implementation of necessary policies and procedures for recording transactions, the employment of competent accounting personnel with appropriate expertise and the provision of adequate resources to the financial function. The accounting records of the company are maintained at Carriglea, Dungarvan, Co. Waterford.

Auditor

The auditors, MK Brazil, (Chartered Accountants and Statutory Auditors) have indicated their willingness to continue in office in accordance with the provisions of section 383(2) of the Companies Act 2014.

This report was approved by the board on and signed on its behalf by:

Director

Director

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)
For the year ended 31st December 2025

Statement of directors' responsibilities

The directors are responsible for preparing the Directors Report and the financial statements in accordance with Irish law and regulations.

Irish Company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with Companies Act 2014 and accounting standards issued by the Financial Reporting Council as modified by the specific accounting requirements of the Minister of Health and published by Chartered Accountants Ireland including FRS 102 The Financial Reporting Standards applicable in the UK and Ireland (Generally Accepted Accounting Practice in Ireland). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the surplus or deficit of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing those financial statements, the directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and surplus or deficit of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the group and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

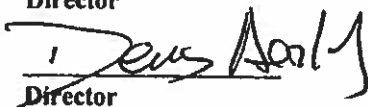

In so far as the directors are aware:

- there is no relevant audit information (information needed by the company's auditor in connection with preparing the auditor's report) of which the company's auditor is unaware, and
- the directors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Date

Independent Auditors' Report To The Members Of Carriglea Cáirde Services

Report on the audit of the financial statements

Opinion

We have audited the financial statements of Carriglea Cáirde Services for the year ended 31st December 2025 which comprise the Revenue Income & Expenditure Account, Balance Sheet, The Statement of Changes in Equity, Cashflow Statement and the related notes. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", issued in the United Kingdom by the Financial Reporting Council.

In our opinion, the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31st December 2025 and of its surplus for the year then ended;
- have been properly prepared in accordance with Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard as issued by the Irish Auditing and Accounting Service Authority ("IAASA") Ethical Standard, and the provisions available for small entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusion relating to going concern

In auditing the financial statements, have concluded that the directors use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Independent Auditors' Report To The Members Of Carriglea Cáirde Services

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

We have nothing to report in this regard.

Opinions on other matters prescribed by Companies Act 2014

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited and the financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

Responsibilities of directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Independent Auditors' Report To The Members Of Carriglea Cáirde Services

Further details relating to our work as auditor is set out in the Scope of Responsibilities Statement contained in the appendix of this report, which is to be read as an integral part of our report.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members as a body in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters that we are required to state to them in the audit report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company or the company's members as a body for our audit work, for this report, or for the opinions we have formed.

Independent Auditors' Report To The Members Of Carriglea Cáirde Services

Appendix to the Independent Auditors' Report

As part of an audit in accordance with ISAs (Ireland), the auditor exercises professional judgment and maintains professional scepticism throughout the audit. The auditor also:

- Identifies and assesses the risks of material misstatement of the financial statements, whether due to fraud or error, designs and performs audit procedures responsive to those risks, and obtains audit evidence that is sufficient and appropriate to provide a basis for the auditor's opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtains an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluates the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

- Concludes on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If the auditor concludes that a material uncertainty exists, the auditor is required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify the auditor's opinion. The auditor's conclusions are based on the audit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluates the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that the auditor identifies during the audit.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

1. Statement of accounting policies

The financial statements of the company for the year ended 31st December 2025 have been prepared on the going concern basis and in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (FRS 102).

1.1. Basis of preparation

The Financial Statements are prepared on the going concern basis, under the historical cost convention and comply with the financial reporting standards of the Financial Reporting Council and promulgated by Chartered Accountants Ireland as modified by the specific accounting requirements of the Minister for Health, and Irish statute comprising the Companies Act 2014 except for the entity invoking the true and fair view override with regard to the profit and loss and balance sheet formats in Schedule 3 of the Companies Act 2014 as permitted in Section 3.4 of FRS 102 and Section 291 (5) of the Companies Act 2014.

In order for the financial statements to show a true and fair view the directors have determined the profit and loss formats as required by Schedule 3 of the Companies Act 2014 be adapted to present results in accordance with the formats provided by Charities SORP (FRS102) which details the income and expenditure by nature. Given that the company is a company limited by guarantee, the capital and reserves section of the balance sheet have been adapted accordingly to reflect this fact. The directors consider that the layout adopted more correctly reflects the nature of the entity given that the entity is a not-for-profit organisation which is limited by guarantee. To use the formats set out in Schedule 3 of the Companies Act 2014 and Section 4 and 5 of FRS 102 would not result in the financial statements showing information that would provide relevant information to the understanding of the directors and the performance and financial position of the Company.

1.2. Income Policy

State funding and funding from Public Bodies that is predetermined and agreed with the relevant authorities is recognised on an accruals basis. Grants, subsidies, or rebates that are dependent on approval by a grantor on the foot of an application made, are recognised on a cash basis. Funds received for specific projects and not spent at year end are deferred to match the costs that they are intended to compensate.

Fundraising and donations are accounted for on a cash receipt basis and credited to the beneficiary, usually the Service Provider who raised the funds. Accordingly, fundraising and donations are taken to Revenue as and when it is spent in line with the intentions of the donor or the general purpose of the fund.

Sales are accounted for using the accruals basis of accounting.

Interest and other investment income are accounted for on a cash receipts basis.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

1.3. Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment loss. Cost includes all costs that are directly attributable to bringing the asset into working condition for its intended use.

Depreciation

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost less estimated residual value, of each asset systematically over its expected useful life, as follows:

Land and buildings	-	50 years
Fixtures and fittings	-	3 years
Motor vehicles	-	5 years

It is a requirement under FRS 102, that the carrying value of tangible fixed assets are reviewed annually for impairment in periods if events or changes in circumstances indicate the carrying value may not be recoverable. As our fixed assets are not held for the purpose of generating cashflows, but were acquired for the purpose of carrying out charitable activities, the value cannot be meaningfully measured in terms of cashflow as the benefits that derive from their use are not financial. Accordingly, an impairment of fixed assets will only arise where the asset suffers impairment in a physical sense resulting in physical damage and the use of the asset has reduced significantly or is no longer in use or where the quality of service it provides has deteriorated. As long as such assets continue to provide the anticipated benefits to the company, the consumption of such benefits will be reflected in regular depreciation charges.

1.4. Land & Buildings

The total value of land & buildings transferred from the Sisters of the Bon Sauveur on the 1st January 2006 was €8,150,000. Included in this valuation is an amount of €1,904,996 which relates to the cost of buildings financed by way of Capital Grant by the Health Service Executive to the Sisters of the Bon Sauveur, Carriglea.

1.5. Capital Expenditure

The board have adopted the policy that all minor plant, fixtures & fittings with a value of less than €5,000 should be taken directly to the Income & Expenditure Account. Items in excess of €5,000 are treated as Capital Expenditure, with a corresponding amount credited to Deferred Income Revenue Grants re Capital Items.

In relation to land and buildings, items which are seen to add value to the property are capitalised whilst those with no added value are taken directly to the Income & Expenditure Account as repairs.

1.6. Government grants

Grants received towards capital expenditure are shown as deferred income and credited to the income and expenditure account by instalments on a basis consistent with the depreciation policy of the relevant assets. Grants towards revenue expenditure are released to the Income and Expenditure account as the related expenditure is incurred.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

1.7. Going concern

Carriglea Cáirde Services is economically dependent on the Health Service Executive for funding. This economic dependency is underpinned through a Service Level Arrangement between the Health Service Executive and Carriglea Cáirde Services. Accordingly, the financial statements have been prepared on a going concern basis.

1.8. Employee Benefits - Superannuation

Carriglea Cáirde Services operate three distinct occupational pension schemes, namely an 'Exchequer Funded' defined benefit scheme known as the Nominated Health Agencies Superannuation Scheme (NHASS), an 'Exchequer Funded' Single Public Service Pension Scheme (SPSPS) and an Irish Life Pension scheme.

No provision has been made in respect of benefits payable under the NHASS Scheme and the SPSPS Scheme as both schemes are public servants "Pay as you Go" Pension Schemes underwritten by the Minister for Health. Annually the Service provides a statement of Income and Expenditure to the HSE National Finance Division in relation to the NHASS Scheme and the deficit on the scheme is funded by the HSE.

In relation to the Service Level Arrangement, funding of NHASS Scheme Deficits by the HSE is now in place through the National Finance Division and is essential in order to ensure continuity of service delivery given that scheme expenditure now exceeds scheme income. Annually the Services project the level of deficit or otherwise and include same in the Service Level Arrangement – Schedule 9 and at year end the Income and Expenditure Schedule is prepared and submitted to the HSE National Finance Division in order to determine the actual funding requirement.

Contributions from employees who are members of the NHASS are credited to the Income and Expenditure Account when received. Pension payments under the NHASS are charged to the Income and Expenditure Account when paid.

Contributions from employees who are members of the SPSPS are remitted monthly directly to the Exchequer. Pension payments under the SPSPS, when they occur will be paid by the appropriate relevant authority.

Carriglea Cáirde Services is prescribed as a relevant authority in the Statutory Instruments effective from the 1st January 2014 that established the SPSPS.

'Investment based' Defined benefit Schemes

The Provisions of Financial Reporting Standard No. 102 Retirement Benefits apply to the (1974) defined benefit schemes and the compliant information is set out in Note 13.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

1.9. Fund Accounting

The following funds are operated by the Charity

Restricted Funds

Restricted Funds represent grants, donations and sponsorships received which can only be used for particular purposes specified by the donors or sponsorship programmes binding on the directors. Such purposes are within the overall aims of the charity.

Unrestricted Funds

Unrestricted Funds represent amounts which are expendable at the discretion of the Directors in furtherance of the objectives of the charity and which have not been designated for other purposes. Such funds may be held in order to finance working capital or capital expenditure.

Designated Funds

Designated funds are unrestricted funds earmarked by the Directors for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements. The designations have an administrative purpose only and do not legally restrict the Board's discretion in applying the funds.

2. Critical Accounting Judgements and Estimates

The preparation of these financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. These estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

a) Establishing useful economic lives for depreciation purposes of property, plant and equipment

Long-lived assets, consisting primarily of property, plant and equipment, comprise a significant portion of the total assets. The annual depreciation charge depends primarily on the estimated useful economic lives and estimates of residual values. The directors regularly review these asset useful economic lives and change them as necessary to reflect current thinking on remaining lives in light of prospective economic utilisation and physical condition of the assets concerned. Changes in asset useful lives can have significant impact on depreciation and amortisation charges for the period. Detail of the useful economic lives is included in the accounting policies.

3. Taxation

There is no charge to taxation as the company has Charitable Status CHY 16004.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

4. Surplus for the year

In order to reconcile the surplus/ deficit as per the audited accounts to the deficit as per the Health Service Executive Returns, the following adjustments in relation to FRS 102 (pension scheme transactions) have to be made.

	Revenue Account with the effects of FRS 102 €	FRS 102 Pension Adjustment €	Revenue Account without the effects of FRS 102 €
Pay Expenditure	(17,652,269)	5,000	(17,647,269)
Non Pay Expenditure	(2,397,648)	(6,000)	(2,403,648)
Gross Expenditure	(20,049,917)	(1,000)	(20,050,917)
Income	1,865,493	-	1,865,493
Net Expenditure	(18,184,424)	(1,000)	(18,185,424)
Approved Allocation	18,198,465	-	18,198,465
Surplus/(Deficit)	<u>14,041</u>	<u>(1,000)</u>	<u>13,041</u>

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

5. Employees

Number of employees

The average monthly numbers of employees during the year were:

	2025	2024
	Number	Number
Administration	12	11
Nursing	52	35
Care Assistants	69	71
Social Care Workers	21	24
Supervisors & Instructors	70	70
Catering & Housekeeping	4	4
Maintenance	2	2
	230	217
Pensioners	84	76
	314	293

Employment costs

	2025	2024
	€	€
Wages and Salaries	16,308,512	14,760,363
Social welfare costs	1,343,757	1,274,733
	17,652,269	16,035,096

The number of employees whose total employee benefits (excluding employer pension costs) for the reporting period fell within each band of €10,000 from €60,000 upwards and an overall figure for total employer pension contributions for all employees is set out below.

Bands	Employee No's
€60,000 - €70,000	37
€70,000 - €80,000	5
€80,000 - €90,000	4
€90,000 - €100,000	2
Over €100,000	1

Key Management Remuneration

The key management team for Carriglea Cáirde Services would include 4 staff (2024: 5 staff)

11. Provisions for liabilities and charges

Provisions

		<u>2025</u>	<u>2024</u>
		€	€
Anne Le Roy Centre	Note 1	28,581	30,000
Renovations to Buildings	Note 2	34,000	60,000
		62,581	90,000

Note1

A provision of €28,581 remains at year end (2024: €30,000) in respect of planned construction works to improve accessibility and meet requirements for wheelchair users at the Anne Le Roy Centre.

Note2

A provision of €34,000 remains at year end (2024: €60,000) from a provision established in 2022 from HSE inflation Funding. These funds are being applied to the upgrade and refurbishment of residential houses as part of the decongregation programme, enabling service users with higher support needs to continue to live in community-based settings.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

12. Accruals & Deferred Income

	<u>2025</u>	<u>2024</u>
	€	€
<u>Deferred Revenue Income</u>		
Opening Balance	537,544	586,613
Revenue Income Utilised in Year	(130,219)	(49,069)
At 31st December 2025	407,325	537,544

The company recognises deered income where funding received is subject to conditions that have not yet been met by the reporting date. The balance of deferred income at year-end includes the following otems, which are expected to be utilised in the following financial year.

1. Technology Funding - €17,944

This balance represents the unspent portion of a €28,500 allocation from the HSE for the implementation of a service users' electronic records system. Procurement is at an advanced stage with a preferred provider currently being assessed to ensure the system meets reporting and operational requirements currently supported by paper based records. Subject to final confirmation, the system will be purchased and implemented in 2026.

2. Respite Services (2020 HSE Allocation)

Deferred from the 2020 allocation, this funding is intended to enhance or expand respite services. Its utilisation was delayed due to COVID-19-related staffing shortages and operational disruptions, as well as the temporary relocation of services to St. Bridget's, Carriglea, during construction of an apartment for individualised respite adjoining the house. Full respite service capacity resumed in 2025 and the funding was utilised during the year.

3. Day Services Development (2021 HSE Allocation) - €120,832

Funding of €120,832 (2024: €150,000) received to support the development of individualised and autism specific day services remains deferred at year end. The funding will be utilised on facilities and other non-recurring measures to support service users and improve the delivery of day services. Expenditure to date has been incurred in line with the objectives of the funding. The remaining balance continues to be deferred at year end and will be utilised in future periods as the related development initiatives are progressed.

4. Individual Service User Funding - €45,000

Funding provided in late 2024 for the support of a specific service user. As it could not be spent before the year end 2024, and was not utilised during 2025, the balance remains deferred and will be carried forward for use in 2026 in accordance with its original purpose.

5. Vehicle Purchase - €54,059

Once-off HSE funding received in 2025 towards the purchase of a vehicle remains deferred at year end. The purchase was delayed to allow the Service assess new vehicle models capable of safely transporting two wheelchair users, as more recent vehicles accommodate only one wheelchair passenger. The vehicle will be purchased in 2026. Deferred income carried forward from 2024 was fully utilised in 2025.

6. New Day Service Location - €30,000

Non-recurring funding received in 2024 to support the development of a new day service location in rented premises remains deferred. The proposed premises, located within a shopping centre, required compliance with additional regulatory and building requirements. A contractor has now been appointed, and the works are scheduled to be completed in 2026.

Carriglea Cáirde Services
(A Company Limited by Guarantee and not having a Share Capital)

Notes to the financial statements
for the year ended 31st December 2025

7. De-congregation - €89,490

This funding will be utilised to upgrade facilities and equipment in community based houses to support residents to remain in their homes. Due to the ageing profile of residents, there is an increased need for hoists and mobility aids in community settings, which were historically concentrated in campus based accommodation. Expenditure will take place as required in line with assessed needs.

8. Day Service Functional Supports

Funding relating to additional functional supports for day services was deferred at the prior year end. These supports are now in place, and the funding was fully utilised during 2025.

9. School Leaver and Day Services Funding - €50,000

This includes €20,000 for school leaver-related refurbishment and €30,000 in Day Services Resumption Non-Pay Funding. These funds will be applied to improvement works in the Anne Le Roy Centre and other day service locations.

All deferred income is recognised as a liability until the associated conditions are satisfied and the related expenditure is incurred.

15. Restricted - Fundraising

Restricted donations were received for specific purposes and may only be applied in accordance with the donor's stipulations.

An amount of €130,000, received in 2016 from the Sisters of Bon Sauveur, was restricted for the purchase and development of Normandy House, Carriglea. A balance of €99,523.62 was carried forward into 2025 and was fully utilised during the year towards the purchase of Normandy House.

Vehicle-related restricted funding received in 2017 was expended during 2025 in accordance with its purpose, with €17,507.20 utilised in the year.

During 2025, the charity received a further restricted donation of €20,000 from the Missionary Sisters of the Gospel (of which the Sisters of Bon Sauveur now form part), for the development of Normandy House as a respite centre. An amount of €10,072 was applied to professional fees during the year, with the remaining €9,928 carried forward at year end.
